> Secretary Ensign has announced that all saddle horses, fancy drivers and ponies will be shown this morning at 10:30 on the race track.

> Widespread comment has been aroused by the information bureau, which has been inaugurated in the Manufacturers' building, where you may check your baby if you so desire. Information in regard to the entire exposition is furnished to visitors, and coats, valises, parcels and other articles are also checked there.

All the clearing house banks of Salt Lake will practically suspend business at noon today in accordance with the Will of the Late John Q. Packard proclamations issued by Governor Cuter and Mayor Bransford. Provision has been made for the transaction of such business as may be necessary during regular banking hours.

The largest cake ever made in Salt Lake was transported to the fair grounds yesterday, cut into pieces and distributed to the people. It was made by the Hewlett Bros.' company factory. by the Hewlett Bros.' company factory, and placed in the Hewlett exhibit in the Manufacturers' building. It attracted considerable attention.

J. E. Bush's 6-year-old mare, May Tricks, was yesterday awarded the blue ribbon by Judge J. B. Curtis of Iowa in the class of "best standardbred trotting mares of 3 years and over." She won out over eight entries. The mare was bred by Captain R. D. Millett of 559 East Brigham street.

The management of the fair has issued passes to all the officers of the juvenile court with the understanding that probation officers will assist in looking after the children at the exposition.

"MELON" WAS NOT CUT.

Annual Meeting of the Northern Pacific Railway Company.

New York, Oct. 6.—At the annual meeting of the Northern Pacific Railway company, held today, all the retiring directors were re-elected. The report for the year ending June 30 shows an increase in revenue over the year before, but a decrease in net income. In 1907 the road earned in the passenger department \$16,-320,861, while in 1908 it increased to \$18,133,-238. In the freight department the earnings were \$47,650,369 in 1907, while in 1908 they totaled only \$46,423,836. The decrease in net income was due to increase in operating expenses and an increase of over \$1,000,000 in interest and commissions paid on new stock subscriptions. on new stock subscriptions.
